

# Carlisle Swap Meet III

The Cheer Team is excited to organize Swap Meet III on Saturday, May 15. Our mission is the same - to pass on gently used items, in good condition, to others who will use them and provide a safe, outdoor community experience.

New this year:

1. Reduce what is left at the end of the day – too many usable items went into the trash at the Transfer Station;
2. Screen out items during the drop off period that are junk and have the donor take them directly to the Transfer Station; and
3. Recruit more non profit, charitable organizations to receive usable items at the end of the Swap Meet.

So pull that stuff from the attic, basement, kids rooms and the garage! More details to follow, we just wanted you to:
