## Procedure for Middle Schoolers Riding the Elementary Bus in the Afternoon Updated August 2018

Middle School students that stay after a regular school day for school-sponsored events, such as Homework Club or Band, can ride the Elementary Bus home under certain conditions:

1. It is the understanding that each Middle School student will get off the bus at the Elementary Bus stop that is closest to his/her home. Additional stops will not be made, as this route is established for Elementary School students.
2. In the event that a bus is at maximum capacity due to the additional students that regularly ride to Carlisle Kids House after school, bus drivers have the authority to send middle schoolers to the Main Office to call home for a ride.
3. It is a privilege for Middle Schoolers to be provided transportation on the Elementary Bus. They are expected to sit during the ride, observe all bus rules and set a good example for the younger students.
