

Carlisle Public Schools

Technology Donation Guidelines

The Carlisle Public Schools is always willing to except donations as outlined in the Carlisle Public Schools' Gift and Loan Policy. The Technology Department reserves the right to adjust these guidelines without notice as needs change. Should you have any questions regarding these guidelines or wish to donate equipment to the school, please contact the school's [tech office](#) by email or by phone at 978-369-6550 ext. 3105. **Thank you for your interest!**

The Technology Department has established the following parameters for the types of equipment that it is willing to accept.

Desktop Computers:

Apple iMac with 2.4GHz processors or higher

Portable Computers:

Apple 13"laptops with 2.4GHz processors or higher

Monitors:

21" or larger flat panel displays are welcome. The school is no longer accepting CRT monitors.

Printers:

Only laser printers with network cards.

Peripheral Devices:

Any device with a firewire or USB connection, such as external hard drives, DVD burners.

Media Devices:

The school could use a few more DVD players or VHS/DVD combos. They should have a working remote control and an instruction booklet.

iPads:

Apple iPad 4 retina or iPad air or newer
