

5th Grade: *A Transitional Year*

***What you need to know**

***What changes your child will see**

4th-6th Grade Format

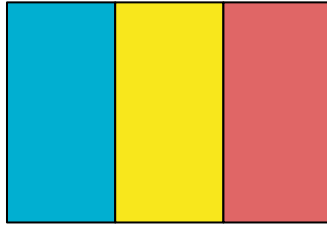

GRADE 4

***1 teacher**

***all subjects/teacher**

***same classmates**

all day

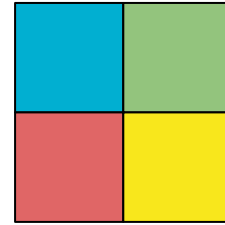

GRADE 5

***3 teachers**

***SS taught by HR**

***new classmates for**

specials/ WL

GRADE 6

***4 teachers**

***1 subject/teacher**

***new classmates**

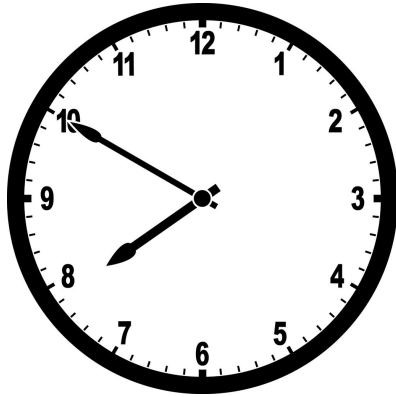

for each class

In these uncertain times...

5th grade remote learning looks like:

- Regular online meetings with teachers**
- Daily assignments**
- Weekly calendars and assignments grids**
- Read alouds, project based learning, multi-media learning**
- Support and check-in meetings with teachers**

Big Changes from 4th to 5th Grade

***earlier schedule**

***nightly homework**

***letter grades and interim reports**

***new opportunities**

***increased independence**

***no snack**

***art class 2x per week**

***health class 1x per week**

*** world language class 3x per week**

How Do We Support 5th Graders?

- *posting daily schedules
 - *teaching organizational strategies
 - *using agendas
 - *offering homework club
-
- *Flex block

LANGUAGE ARTS			Write opinion paragraph - due Friday
READING	Read for 20 minutes	Read for 20 minutes	
MATH	Home Link 5-2	Homelink 5-3	Home Link 5-4
SCIENCE - LIFE SKILLS	Unit 4 Test on Friday	Study Unit 4 Vocab list	
SOCIAL STUDIES		Find 5 facts on Colonial Life using CPS Library page.	

What Can Parents Do to Help Over the Summer?

*read, read, read (make books available)

*read together & talk about what you've read

*keep math skills fresh

*play games

*support your child's interests

What Can Parents Do to Help During the School Year?

- *set up a homework area
- *establish routines
- *check your child's agenda & homework folder regularly
- *communicate with teachers

the most efficient method is by email

Thank you!

**We hope to
see you in September!**
